Description

### Description

Deluxe retractable banner stands are lightweight and economical. Their compact aluminum hardware has two folding feet that rotate out for stability when the stand is on display, and rotate back in for storage in the complimentary carrying bag. The full color graphics come on UV printed fabric inserts with curl free edges and gray blockout backing. For those that want a legacy feel we still offer 13oz matte vinyl prints as well. Great for traveling, these stands take mere seconds to display and when the show is over the insert is retracted into the hardware for safe keeping.
